

Dear Sansome Families:

Today is the last day of school until after the Winter Break! Classes will resume on **Monday, January 10th**.

Thank you to Mrs. Chase and her Hamper elves who put together wonderful hampers for 8 families. Thank you to all of our families for supporting the hamper drive again this year. The hampers are sure to brighten the holidays for those families.

Sansome School will be hosting a **Covid-19 Vaccine clinic** on **January 18th**. Consent forms are due back to Public Health by January 12th. **Families will be receiving information regarding the e-consent forms after January 5th**. There will also be paper consent forms available from the school. The clinic will begin at 9:30 and will continue until all children with a consent form have been immunized. Families should have received an online survey from the school board office asking for interest in Rapid Test Kits. **The plan is to distribute the kits from 4 school sites prior to January 6th for use before the return to classes.**

Thank you to Mrs. Moses and all Staff for making this year's **Winter Concert** possible virtually. We hope you have received the concert links and are able to enjoy the concert with your family in the warm comfort of your home. Bravo to all our students for their wonderful performances!

Be Kind Sansome School Wear can now be ordered. Please see the attached information. The ordering deadline is January 9th to ensure the clothing will be delivered and distributed prior to Pink Shirt Day in February. Thank you in advance for supporting this mini fundraiser. Funds will be directed to our Climbing Wall(s) initiative. Thank you to Sansome Parent Council for being our partner in funding this project!

From all of us at Sansome School, we wish our students and their families all the very best of the season. Stay safe and well this Winter Break!

Thank you very much for your support of our fundraiser. As a group we managed to raise \$6000 that will be put towards the installation of a climbing wall in our gym that will be jointly supported by our parent council.

Unfortunately, due to the supply issues arising from flooding in BC our delivery date has been delayed until the new year. We have a confirmed delivery date of Tuesday, January 11th. We will have pick up beginning at 3:00 pm on January

11th. Your co-operation in communicating this information out to friends, families, and co-workers that graciously supported this fundraiser is greatly appreciated.

We will be using the School Conference Manager to allow you to register for a pickup time to ensure that we are safely handing out these products. The link for this will be sent out on January 6th when we are back.

Henrietta Hoch & Rob Bell

Next Early Dismissal Day: Tuesday, January 18th. Students will be dismissed at 3:18 pm. Early dismissals happen on the first and third Tuesday of each month. Buses run approximately 30 minutes earlier

Water Bottles: Please remember to send your child with a reusable water bottle. The water fountain spouts are closed but we do have bottle fillers attached to the fountains.
