

Hello Sansome Families:

**Covid Update:** According to the latest information from Manitoba Public Health, individuals who have tested positive for Covid-19 should be isolating for 5 days. They may return to work or school after the 5 days if symptoms are improving and there is no fever. Individuals should wear a medical mask for the 5 days after their return to work or school. Our schools are mask friendly environments and mask wearing continues to be recommended.

The Sansome **Climbing Wall** is due to start construction in the very near future. We hope that it is completed and ready for the students to try out before the end of this school year. A huge thank you to Sansome Parent Council for their generous support in making this project happen this year!
