Hello parents/guardians,

Sansome School will be doing a quick and easy fundraiser this fall. We are raising money to support classroom libraries and classroom incentives. Fundraising profits will cover the costs of replenishing and expanding classroom libraries and to support classroom incentives such as: drama workshops, drumming workshops, and raising butterflies come Spring.

The fundraiser that we are kicking off **today** is a Gourmet Cookie Dough, Cheesecake and Pizza Fundraiser. The cookies are very convenient as they come frozen and pre portioned. Cookies can go right from the freezer to the oven – no thawing, scooping or clean up. There are 36 large pre portioned cookies in a box and there are 9 flavours to choose from, plus a variety of gourmet cheesecakes, and some great Archie's Pizzas.

In order to make this a successful fundraiser and to limit the amount of fundraising that we do; we are hoping that each child tries to sell a minimum of 15 units of product. We understand that many families have multiple children in the school and meeting 15 units/child may be difficult.

To limit the exchange of money we are excited to announce that we are changing the way in which our fundraiser will be organized. We will be running the entire fundraiser digitally with the MoneyDolly app. Please find an attached document that explains exactly how to use the app and make contactless sales with ease. The app will track all of your orders and allow you to send links to people via text, email and social media. Our supporters can buy the product right from the app and all sales are tracked back to your child.

The Fundraiser will be ending on Friday, **October 28th** with the hope that all products will be delivered on November 24, 2022 when we are hosting our Term 1 Celebrations of Learning.
