Manitoba School Board Association Awards

The Manitoba School Boards Association sponsors several awards that are presented each year:

- **Student Citizenship Awards** recognizes outstanding young people throughout Manitoba who are active participants in their communities and schools. There are no age or grade restrictions on this award; all students in regular attendance in the K-12 program at a Manitoba public school are eligible, and presented in the spring. Students in Grades 9-12 students can self-nominate by submitting their application online.

- **The Mark Dickof Memorial Scholarship Award** has been established to recognize the important role of mental health leadership and advocacy among youths aged 14 to 18 at the secondary school level in Manitoba, in terms of promoting action, awareness and greater sensitivity to / de-stigmatization of mental health and wellbeing, either within their school, local or provincial communities. Instituted by Winnipeg City Councillor Brian Mayes, in partnership with the Manitoba School Boards Association and the Canadian Mental Health Association (Manitoba Chapter), the award will be presented annually to a student or team of students in the public education system according to two general categories: urban (Winnipeg) and rural/northern, with each category qualifying for one (1) \$250.00 prize each year.
- **TADD Scholarships/Bursaries:** Each year, TADD Manitoba sponsors two scholarships and two bursaries to deserving Manitoba high school students. Preference will be given to those students who are actively involved in their TADD school groups/committees; however, it is not a requirement.
