SCHOLARSHIPS FOR STUDENTS PURSUING A CAREER IN THE TRADES

A1 Auto Transport https://www.a1autotransport.com/a-1-auto-transport-scholarship
Offers three annual awards of $1,000, $500, and $250 to students (full or part-time). Applicants must submit a 1000 word essay on a transport-related topic.

Amelia Earhart Memorial https://www.ninety-nines.org/scholarships.htm
The Amelia Earhart Memorial Scholarship supports women in aviation by funding flight training, technical or academic education, and research — offering awards up to US$20,000 for pilot certificates/ratings or technical courses, up to US$10,000 toward one year of a college-level aviation/aerospace degree, plus special full scholarships for emergency-maneuver training and grants for broader aviation-related research.

Apprenticeship Manitoba- Financial Supports
https://www.gov.mb.ca/aesi/apprenticeship/generalinf o/grantstax.html
Apprentices registered in a Manitoba-approved apprenticeship program get their technical training tuition heavily subsidized (on average about $4,200 per training level).

Aveda Institute https://avedainstitutewinnipeg.ca/scholarship-qualifier
For people applying to start a program at Aveda Winnipeg. To be considered, you must submit a complete application package including the scholarship-qualifier form plus a signed enrolment contract by the deadline.

Electrical Contractors Association of Manitoba https://www.ecamb.ca/ecam-scholarship
The ECAM Scholarship awards three CA $1,000 scholarships each year to staff and family members of ECAM-member companies enrolled in post-secondary programs directly tied to the electrical contracting industry (e.g. engineering, construction management, apprenticeship).

Horatio Alger Vocational and Technical Education Scholarship
https://horatioalger.ca/vte-scholarships/
Aimed at students entering (or enrolled in) vocational or technical certificate or diploma programs (e.g. trades, technical school, community college) instead of a bachelor's degree. The award provides up to $3,000 to help with tuition or related costs.

iGotcha Media Scholarship https://igotchamedia.com/agency/digital-excellence-scholarship/

A $1,000 award given annually to one student from Canada studying (full or part-time) at any post-secondary level; applicants must submit a short application and an essay showcasing their digital/creative media interests and work.

Lift Parts Express Scholarship

https://www.forkliftpartswashington.com/forkliftparts.php

$700–$750 per year for students aged 16–21 who are legal residents of Canada and who are either high-school seniors entering post-secondary, or first- or second-year college/university students. Applicants must submit an online application and write an essay (on that year's topic) as part of the application.

Manitoba Association of Automobiles Club https://maac.cc/community-involvement/

MAAC awards two annual scholarships of $500 each to graduating high school students in Manitoba who are planning to pursue further studies in an automotive-related field (either post-secondary school or an apprenticeship/trade program).

Manitoba Hydro

https://www.hydro.mb.ca/careers/streams/students/#awards

Offers a variety of scholarships, bursaries, and awards to students (high school, college, and university) studying engineering, trades/technology, business, IT, or similar fields. Scholarships are between $2,000 and $3,200.

Manitoba Motor Dealers Association

https://www.mmda.mb.ca/scholarship-program/

The MMDA offers annual scholarships (typically C$1,500 each) to Manitoba students (in high school trades or post-secondary studies) pursuing education in fields that could lead to employment at a new car, truck, or heavy-truck dealership (e.g. business, IT, communications, trades).

Manufacturing Trades and Technology Program Scholarship https://cme-mec.ca/manufacturing-trades-and-technology-program-scholarship/

This scholarship awards $2,500 to Canadians entering (or already enrolled in) a recognized Manitoba post-secondary program in a manufacturing-related field (e.g. welding, CNC machining, industrial/mechanical engineering, supply-chain, millwright, etc.), provided they demonstrate commitment to pursue a manufacturing career in Manitoba.

Merit Contractors Association of Manitoba Tuition Refund Bursary

https://www.meritmb.com/services/training-education-programs/

This bursary helps employees of Merit member construction companies pay for apprenticeship or occupational skills training by refunding up to $500 of tuition (per level), provided they complete the training, submit a form with proof of payment and completion, and return to work for at least one month with a Merit employer.

Motor Vehicle Industry of Manitoba http://mvim.ca/scholarship-application.html

For Manitoba resident secondary or postsecondary students or apprentices preparing for a Red Seal certification in automotive trades (e.g. automotive service, collision repair/ refinishing, heavy duty truck/trailer mechanics). Scholarship is $1,500.

Red River Ex Scholarships https://www.redriverex.com/scholarships-and-bursaries/

A suite of awards for Manitoba residents going into postsecondary studies or trades, with amounts and focus depending on your field.
Trades, Education, Sports, Performing Arts, Aerospace and other bursaries for Manitoba residents: amounts vary.

Sons & Daughters of Italy Legacy Award https://www.sonsofitaly.ca/scholarships

Their "Scholarships & Awards" program offers multiple bursaries to students of Italian heritage. Trade Award: $1,000 for a student entering a trade program at college.

TC Energy https://www.tcenergy.com/community-giving/scholarships/Canada-En/#prequalify

Offers up to $5,000 per award to students across Canada, depending on program and background.

Trans Alta Women in Trades Scholarship https://transalta.com/women-in-trades-scholarship/

For women enrolled full-time in a postsecondary trades or apprenticeship program, this scholarship awards up to around $2,500–$3,000 in support.

Winnipeg Airports Authority (WAA) Queen Elizabeth II Scholarship Application
https://www.sjasd.ca/AboutUs/Scholarship/AwardsList/Documents/Winnipeg%20Airport%20Authority%20Award%20Application%20Revised%20February%202023.pdf

Presented by Winnipeg Airports Authority (WAA) for a graduate of any high school in the St. James Assiniboia School Division who plans to pursue postsecondary studies in an aviation related field.

Women in Manufacturing (WIM) Scholarships https://cme-mec.ca/women-in-manufacturing-wim-scholarship/

This scholarship awards $2,500 to people who identify as women, non-binary, or femaleidentifying and plan to enroll (or are enrolled) in a program at a Manitoba post-secondary institution that leads to a career in manufacturing.
