

Patrol Team *2019-2020*

October 18, 2019

Dear Parents/Guardians,

Our Strathmillan Stars Patrol Team has been doing a great job of keeping students safe while crossing our busy streets. Thank you so much for supporting your child with this important leadership role.

Today students received their schedules for October, November, December and First 2 weeks of January. Your child will be on Team 1, 2, 3 or 4. Each team will be on post for one week and then have 3 weeks off. There are just a very few students who are on two teams. An extra big thank you to those students for working every second week!

Thank you for getting your child to school on time. The patrol times are when students should be on post and doing their job, not just arriving and getting set up. Being punctual is all part of keeping students safe. Thank you for your continued support and encouragement with these expectations.

Please also ensure your child is being responsible by dressing appropriately for all weather conditions. Ensure hats/hoods are worn so that they can clearly see from side to side.

If the weather is stormy or too cold for patrols, you will be notified either by email the night before or by Remind in the morning.

If you know your child will be away, please help them to be responsible by finding themselves a patrol sub at school in advance and letting Mrs. Stephenson know who their sub will be. If at the last minute/in the morning, your child will not be at school, please email Mrs. Stephenson: bstephenson@sjsd.net.

**Please be sure you are signed up for Remind with Mrs. Palmer.
If your email has changed, please let Mrs. Stephenson know.**

Thank you again for supporting your child with this very important leadership role. We appreciate your support in helping to make this such a positive experience for your child.

If you have any questions, feel free to contact Mrs. Stephenson at the school:
