Patrols: Strathmillan Stars **Team #1**

Hello Strathmillan Community:

Fire and Evacuation Drill

In collaboration with the Strathmillan Childcare Centre, we will practice a fire and evacuation drill on Wednesday, September 17, at 11 AM.

- First, we will have a conventional fire drill.
- When everyone is accounted for, we will pretend that the building was unsafe to re-enter.
- We will station patrols on Strathmillan, Whyteford, Olive, and Rita, and alleys in between. Our School Patrol Officer from the Winnipeg Police Service will assist.
- We will assemble at Golden Gate Middle School on the front lawn. It's an 8 – 12-minute walk.
- If it were a real evacuation, we would enter the building, then communicate with parents to arrange for students to be picked up from the site.
- We will re-take attendance, then return to the school.

Please help your child understand that we practice for emergencies so that if they happen, we know how to keep everyone safe.

Cross-Country Running

Mr. McKenzie has cross-country running going. There's another practice on Monday at noon. The first mini-meet is on Thursday, September 18th at Heritage School from 4:15 – 4:45 PM.

Calling All Young Singers!

Does your child love to sing? Choir is starting up at Strathmillan, and Ms. Dawson would love to welcome new voices! Ms. Dawson is hosting a session for students to find out more and sign up if they are interested.

- **Primary Choir** (Grades 1–2): Tuesday, Sept. 16 (12:25 PM)
- **Intermediate Choir** (Grades 3 -5): Thursday, Sept. 18 (12:25 PM)

Encourage your child to come check it out and see what choir is all about!

Important Measles Information for Back to School

You may be reading in the news that nearly 200 cases of measles have been reported in children in Manitoba, with some ending up in hospital. Manitoba Public Health has issued a letter about measles and the start of the school year:

Unlike the school vaccination program in grade 6, there is no school program for children in K – 5. Here is a link to the recommended immunization schedule for children:

[Recommended Immunization Schedule for Infants and Pre-School Children](#)

Measles is a highly communicable disease that can have serious health consequences. Children can spread the disease for four days before symptoms appear.
