Patrols: Team #3

Hello Strathmillan Community:

Thank you to Mike McKenzie and the Terry Fox Leadership Team for organizing a great day on Friday, raising awareness and funds for the cancer research. We caught exceptionally nice weather on Friday for our walk around the neighbourhood.

We didn't achieve quorum for the Strathmillan Parent Advisory Council Meeting. We did have one intrepid parent volunteer. I will let the parent community know what the next steps may be in an effort to rebuild.

Monday is Orange shirt day. We encourage staff and students to wear orange of any sort to show their support for our effort to acknowledge the truth of past relationship with Indigenous people and the role that schools played in causing harm. We will offer an opportunity for students to participate in a smudge on Monday in the courtyard. Learning activities have been ongoing in the classroom.

Starting in October, I will be switching from a weekly to a monthly newsletter. Stay tuned!
