

Sturgeon Heights Collegiate Power Mechanics

Our Automotive Shop is now open and we are booking cars for repairs.

Our shop is **open to all** including students, students' families, neighbours, friends or staff members of other schools.

We can help you with most repairs like other service shops or dealerships do including TIRE REPAIR AND WINTER TIRES CHANGE OVER.

The work is performed by our students under strict supervision.

Our program is guided by the provincial apprenticeship branch to a set standard.

Many of our students will graduate from CSHC while earning the LEVEL 1 Service Technician designation.

This is a win, win, win situation:

- You get your vehicle repaired on-site and according to your time table and availability.
- You pay for parts only.
- You help our students gaining important skills and get them ready for the world of work.
- If we can't repair your vehicle we will recommend a different course of action.

Please contact Mr. E. Plotnik eplochnik@sjsd.net or call 204-888-0684
