

# HUSKY STUDENT OF THE MONTH

## **Physical Education**

Keyanna, Ciara, Francis, Olivia

Keyanna, Ciara, Frances and Olivia played an integral role in planning and running this year's HIT demonstrating exceptional leadership, dedication, and teamwork. From the earliest stages of preparation, they committed themselves to months of careful planning, meeting regularly to map out schedules, coordinate teams, and organize logistics. Each student stepped confidently into a leadership role, dividing responsibilities based on their strengths while supporting one another at every step. The HIT would not have been a success without them!
