Dear Parents and Guardians,

We have received several questions following our recent letter about Grad Dinner tickets and would like to offer clarification and additional information. As a reminder;

- **Tuesday, May 26th 9 a.m.** – Eventbrite opens for purchase with a limit of 4 tickets per family. There will be no promo code necessary as graduate tickets will be \$55.
- **Refunds** for previous ticket purchases have been put through with Eventbrite the morning of May 21.

To ensure consistent communication, we are providing one unified response to all inquiries.

Grad Dinner

The graduation dinner is an additional celebration separate from convocation. We are fortunate to have a venue that allows each graduate to bring a limited number of special guests. Our goal is to provide a meaningful and enjoyable event for all graduates, and we appreciate your patience as we navigate this unique situation.

Ticket Limits

Each family may purchase one ticket for the graduate and up to three tickets for additional guests, for a total of four tickets. All tickets will go on sale at the same time. No priority will be given to any students, families, or affiliated groups. This limit will allow all graduates to have an opportunity to purchase a grad dinner ticket to attend the event.

Additional Tickets Purchased on June 2

If additional tickets are purchased for the same family, we will make every effort to seat families at the same table or nearby. Please note that this may mean your original table selection may be changed.

Additional Tables at RBC Convention Centre

We continue to work with the RBC Convention Centre to determine whether additional tables can be added.

Safe Grad

Graduates are invited and encouraged to attend their Grad Dinner. Safe Grad check-in begins at 10 p.m. Due to this year's ticketing circumstances, the requirement to attend the dinner before Safe Grad **has been waived**.

If you have any other questions or concerns, please contact the school directly.

Thank you for your understanding and cooperation.

CSHC Admin Team & CSHC Graduate Committee
