## **Concert Band/Jazz Band**

### Micko

Micko is a hard working and talented musician. He comes to class full of positivity and consistently encourages those around him.

Micko leads through his kindness and musicality. He is a steady baritone saxophone player in our ensembles and he works very diligently to ensure that he is always prepared for classes. We are grateful for his fun demeanour and encouragement in every class.

Thank you for your leadership in our ensembles, Micko!
