

# HUSKY STUDENT OF THE MONTH

## **Choir**

### Laina

Laina is our January Choir Student of the Month! Laina is in the Concert Choir and Vocal Jazz group and has shown great dedication to both choirs. She shows great enthusiasm for singing and learning, and for listening to jazz music! She has shown great improvement in her part independence and is commended for spending time practicing independently and at home to learn our repertoire. Laina does “extras” for our choirs, like making new binders covers in graphics, as well as ornaments for every member of the group at Christmas. She is a positive addition to our choir program! Congrats, Laina!
