

# HUSKY STUDENT OF THE MONTH

## Leader of the Pack

### Will

Will Spencer, a dedicated student in the French Immersion Leadership course during the first semester, has demonstrated exceptional leadership skills and a commitment to fostering growth and development among his peers.

One of Will's standout initiatives was spearheading a student-led, student-leadership conference in collaboration with the National Student Leadership Association. With unwavering support from his teachers, Will took the lead as the point person and primary organizer of this groundbreaking event. The conference welcomed 70 students from 6 schools across Winnipeg to Sturgeon Heights, offering a day filled with enlightening keynote speakers and invaluable leadership development opportunities.

Hosting such a significant event for the first time at Sturgeon Heights was a testament to Will's vision, dedication, and organizational prowess. The conference not only showcased Will's leadership capabilities but also provided platform for our student leaders to actively participate in planning, organizing, and executing a conference aimed at empowering fellow students.

Will's passion for leadership and his ability to rally his peers toward a common goal have truly set him apart as a standout leader in our school community.
