

HUSKY STUDENT OF THE MONTH

Concert Band/Jazz Band

Phoenix

Phoenix is an awesome percussionist in our senior band and drummer in our jazz band. He is a constant encourager and leader within our ensemble. Phoenix can often be found listening attentively to music to learn his part and regularly shows up prepared to lead the band. Phoenix is often the 'go-to' person when it comes to percussion gear and demonstrates strong influence among our percussionists. He is helpful, kind, and he is always willing to lend an ear to other drummers. Grateful for who you are,

Phoenix!
