

# HUSKY STUDENT OF THE MONTH

## **Drama**

### Eve & Sage

Eve (Grade 11) and Sage (Grade 12) have made a strong impact on our school community. They have found a home in the theatre and drama program, where they've built meaningful connections, explored their creativity, and formed lasting friendships. Both students are consistently positive, helpful, and supportive of their peers. They contribute to a welcoming environment in both the classroom and in productions, and their enthusiasm brings energy and joy to everything they're involved in.
