

# HUSKY STUDENT OF THE MONTH

## **Computer Science**

### Fresia

Fresia is taking intermediate level Computer Science 30S after completing CS20S with one of the highest marks in the class. Fresia has a quiet but warm personality, a strong work ethic and drive towards her studies that makes teaching her a joy. Fresia is a well-balanced student, is working well, asks questions, is receptive to feedback, goes back and improves her work, and shows a great aptitude for programming. I hope Fresia will continue to excel and find Computer Science a subject that she can pursue into her future. Great job Fresia!
