

HUSKY STUDENT OF THE MONTH

French

Brynn

Brynn Miller is your French Student of the Month! She speaks French unprompted, has an excellent accent and consistently strives to communicate in a way that sounds naturally fluent both grammatically and conversationally. Her improves are regularly among the best in all the Grade 9 French speaking class. Despite a demanding volleyball schedule, she excels academically and often takes the initiative to study all by herself in the library during lunch. Brynn is an outstanding combination of confidence, hard work and academic dedication. Our school and French immersion program are lucky to have her!
