

HUSKY STUDENT OF THE MONTH

Concert Band/Jazz Band/ Jazz Combo

Rowan B.

Rowan is our student of the month for band and jazz! Rowan is a wonderful alto saxophone player in grade 9. He has demonstrated so much growth since the start of the year and he is a leader in our ensembles. Rowan is consistently prepared for classes and he plays with such musical intention. Rowan can often be found encouraging those around him through his actions and example, and he understands the importance of community and connection within our ensembles. Thank you for being so great, Rowan!
