

HUSKY STUDENT OF THE MONTH

Aviation

Tristan

Tristan always works hard in his aviation class, giving 110% every day. In the spring 2025, after much preparation and study over the past year, Tristan qualified and was awarded the Canadian Air Cadet League Glider Pilot Scholarship. For two months over the summer, he was stationed in Trenton Ontario for his glider pilot training course at the Mountain View Cadet Flight Training Centre. It is with great pleasure to congratulate Tristan on successfully completing his glider training and achieving his goal of becoming a licensed glider pilot! Keep up the great work Tristan!
