HUSKY STUDENT OF THE MONTH

Drama

Christopher G

Chris is a Grade 10 student who has quickly become a strong presence in the Drama program. He is a natural leader who brings plenty of humour, kindness, and a willingness to be goofy to every class. Chris is always willing to try something new and encourages the people around him to do the same. This year, he'll be taking on the role of Orpheus in our upcoming production of Hadestown, and we're excited to see him rise to the challenge.
