HUSKY STUDENT OF THE MONTH

Visual Arts

Ashley

Ashley is not only a very talented artist, but she is also a calm, kind, and thoughtful student who models what it means to be a Husky. She consistently arrives early and is always ready to help in whatever way she can. She makes sure her teacher always knows what day it is, and while she quietly goes about her day, her thoughtful and helpful nature never goes unnoticed. Congratulations, Ashley, and thank you for the wonderful qualities you bring to our classroom.
