General Scholarship Information

Many diverse scholarship opportunities are available to graduating students in local, national, and international categories. Scholarships are awarded to students for academic achievement, involvement in either the school community or the local community. In addition, the St. James Assiniboia School Division offers our students a wide variety of scholarships that celebrate the hard work and success of our 2022 graduates.

CSHC Student Services is an excellent resource to learn about the opportunities available, but it is important for students to explore the possibilities on their own to discover what is available and determine what will be the best fit. In general, there are 3 ways to access scholarships.

1. The University of Manitoba, University of Winnipeg, Brandon University and Université de St. Boniface award [entrance scholarships](#) to students graduating from a Manitoba high school provided they submit a regular entrance application by the specified deadline and meet the academic grades required. The scholarships range from \$800 to \$3,000. Students applying to post-secondary institutions outside of the province should check the offers available where they plan to apply.
2. Students should also check the list of available scholarships below. Click on the link and read the information to determine if you qualify. The school may require additional information if a nomination process is in place or that award. In addition, students are encouraged to sign up for one of the scholarship websites. An example would be <https://www.scholarshipscanada.com/>
3. At the school level, students can apply for scholarships available to CSHC graduating students using the survey form located here: [https://www.sjasd.ca/school/sturgeonheights/About/Grad2021/Pages/default.aspx#/](https://www.sjasd.ca/school/sturgeonheights/About/Grad2021/Pages/default.aspx#/=). These scholarships include school board cash awards and other scholarships offered through external organizations that are distributed to CSHC graduating students in June at the graduation ceremony.
4. Please see the link below for the list of awards offered in the St. James-Assiniboia School Division on behalf of contributions made to the St. James-Assiniboia Scholarship Foundation. Awards are categorized by schools and education level [http://www.sjasd.ca/AboutUs/Scholarship/AwardsList/Pages/default.aspx#/](http://www.sjasd.ca/AboutUs/Scholarship/AwardsList/Pages/default.aspx#/=)

It is important to note that beyond entrance scholarships, there can be other university scholarships available to students. Please use the financial aid and awards page of each institution to determine what is available.

Tips for Success in Applying for Scholarships

Consider the following to maximize your chances of earning scholarships:

- **Start early**
 - Check for deadlines
 - Give yourself time to complete each application
- **Note your personal achievements**
 - Make a list of what you've done over the past 4 years
 - Include everything (extra-curriculars, employment, accomplishments, personal qualities)
 - Check to see how this information fits for each award
- **Seek out references**
 - Choose references early (i.e. the beginning of grade 12)
 - References should know you very well
 - Talk to your references
 - Ask references to write a letter of reference to keep on file
 - Give plenty of notice
 - Give them information about you and the scholarships for which you're applying
- **Ask around**
 - Ask family members and older friends for advice
 - You may be eligible for some scholarships based on a parent's employer or background
 - Your employer may be aware of scholarship opportunities
- **Read criteria carefully**
 - Be sure you meet the scholarship criteria
 - Read the mission statement of the organization offering the scholarship ("About Us")
 - Modify any pre-written responses to suit the scholarship criteria
- **Proofread your resume and application**
 - Ask a family member or friend to re-read your application
 - Use spell check
- **Apply, apply, apply!**
 - Apply for as many scholarships as possible to increase your odds

Entrance Scholarship Information 2021-2022

The University of Manitoba (U of M), University of Winnipeg (U of W), Brandon University (BU) and the University of St. Boniface (USB) offer entrance scholarships to students graduating from a Manitoba high school. The scholarships range from \$750-\$3,000 and the one criterion is academic excellence. To be eligible, students must submit a regular entrance application by the specified deadline. Students are also generally required to register as a full-time student in the fall.
