50<sup>th</sup> Anniversary  
A Huge THANK YOU to all of the volunteers that assisted C. Timperley and H. Andranistakis with the 50<sup>th</sup> Anniversary celebration. The event was a hit, the only feedback that was received was that some of the participants wished that we had advertised the event sooner so more could have been in attendance.  
  
Swing Set Update  
We have now tentatively raised all of the required funds to complete the Swing Set Project. The parent council is now waiting on the approval from the SJSD board to move forward.
4. **Treasurer's Report**  
Please see the Voyageur parent council binder in the office for the details of November's treasurers report.  
C. Einarson made the motion to accept the Treasurer's report and C. Timperley seconded the motion.

**5. Holiday Craft December 21, 2018.**

The students will be making their annual holiday craft this year. It will be pajama day and the parent council will be providing a treat to all of the students.

**6. New Business**

Indoor Recess Ideas

N. Schneider brought forward the suggestion for the parent council to come up with some indoor lunch ideas for the students.

We decided to reach out to the council as well as parents to encourage them to donate peanut free craft supplies along with gently used board games for the students to use on the colder days when they will be kept indoors.

Sub-Committees

The parent council would like to ask that all sub-committees ensure that they are communicating with all members and keeping the parent council executive informed as well. If contact information is needed, please feel free to see Mrs. McBride in the office.

**Meeting adjourned at 6:54pm.**

The next parent council meeting is scheduled for Tuesday, January 15, 2019 at 6:00pm.
