Concert Hall Ticket Procedures

The Concert Hall requires a ticket to attend an event at their location. This is being done in order to provide the best security for the event and to eliminate the need for early arrival and rush seating. This year tickets will be of no cost to the audience.

Tickets will be available to ‘purchase’ through the Concert Hall’s online ticket system from **May 15th (10am) – June 7th**, with a **maximum of 10 tickets per family**. There will be no cost to ‘purchase’ the ticket. The link will be found on the Westwood website.

From **June 7th – midnight June 28th 2026**, families will be able to ‘purchase’ additional tickets as needed.

You will need your ticket with you to attend the event – this can be done by **printing a PDF** or showing the **E-ticket on your phone**. I strongly suggest you have a paper copy of your ticket as a back-up and/or saved to phone.

There will no longer be ‘rush seating’ – **tickets will have a specific row and seat assigned**. Please provide yourself enough time to find parking and be scanned into the Concert Hall prior to our 9am start time.

There are a few apps you may want to download to your phone to make parking easier. They include **PayByPhone Parking**  **hangTag: Park and Go.** 

ParkMobile  **Indigo Neo** 

These apps are used downtown for parking and will make it easier to process your parking payment. They will even alert you to the end of your time and allow you to add extra time/money to your parking. All require a credit card for payment.
