RRC Updates:

Our Academic Advisors are available to connect with your students and answer any questions they might have about our academic programs and admissions process. Visit rrc.ca/advising to book an appointment.

We've updated some of our admission policies, to make things easier and safer for our future students. Here are a few notable highlights;

- **Submission Deadline of Admission Requirements** – The submission deadline for admission requirements is normally 30 days from the date of application. However, at this time we are providing applicants with a 30 day extension. For example, if you applied on March 1, your original deadline was March 31, but you will now have until April 30 to complete your requirements and submit your documents.
- **Academic Assessments for Admission** – All in-person assessments have been cancelled until further notice. However, we won't cancel your application if you can't complete an assessment due to RRC's campus closure. Please visit rrc.ca/assessment on a regular basis for updates about future in-person assessments and online options.
- **English Language Assessments for Admission** – All in-person assessments have been cancelled until further notice. However, we won't cancel your application if you can't complete an assessment due to RRC's campus closure. Please visit rrc.ca/assessment on a regular basis for updates about future in-person assessments and online options, and other options ways to complete the English Language Proficiency Requirement.

To review your program's language requirements and potential assessors, visit rrc.ca/catalogue. Find your program and click on the English Language Assessments tab.

We are here to help. Please reach out with any questions. We look forward to connecting with you soon.
