

Westwood Collegiate Arts Advisory Group

The parent group WCAAG supports the arts programs and staff at Westwood Collegiate. Westwood parents who are interested in the arts, or have children enrolled in an arts program(s) meet once a month to plan for the annual “For the Love of the Arts” arts evening, as well as lend support to staff for events such as the musical when selling tickets and running a canteen.

For the Love of the Arts (FLOTA) is an evening that celebrates the arts programs and students. This school year FLOTA will be held on Monday April 7, 2025. Set up for the event will take place on Sunday, April 6, 2025 and it takes the efforts of parents and students to set up the gym for the big event. The night of the event, parents are needed in many capacities from taking tickets to preparing refreshments. Planning begins at the monthly meetings with email sign ups shared prior to the setup and event. The funds from the evening are used by the arts department at Westwood to buy items such as costumes, upgrade equipment, or purchase instruments.

What are the arts programs at Westwood? The arts department is made up of band, choral, dance, drama, graphic tech, musical theatre, photography and visual art.

Your help is vital in making the various arts events throughout the school year successful and well attended. We would love to see you at the monthly meetings, or volunteering to help with FLOTA or other arts events would be greatly appreciated!
