WESTWOOD CHORAL PROGRAM

Concert Choir offers not only amazing musical experiences, but also the chance to work with a super-talented and highly entertaining group of people.

CONCERT CHOIR

Concert Choir is our main performance group and is open to all students, Grades 9–12, no audition necessary. Our music selections are varied and challenging and include a variety of music, everything from classical to pop.

“A fabulous way to spend the lunch hour.”

VOCAL JAZZ

This class is for singers who are looking for a challenging musical experience, enjoy travelling and love being part of a dynamic and energized ensemble! Vocal Jazz is an auditioned group open to all Grade 9–12 students. Auditions occur in June. Students in Vocal Jazz must also be a member of Concert Choir.

Singers will also have a chance to perform solos and small ensembles at Coffeehouses.

CHOIR TRAVEL!
Vocal Jazz will offer travel opportunities, including the Brandon Jazz Festival in March. We hope you will join us on our next adventure!
