

# WESTWOOD DRAMA PROGRAM

## WHY TAKE DRAMA?

The goal of the Drama Program at Westwood Collegiate is to provide students with an opportunity to engage in dramatic play. As students become aware of the tools and elements in dramatic play; they become better communicators; they learn to listen to different points of view; they learn to empathize with different points of view; they think imaginatively and critically and the express themselves confidently. During this course, students will communicate in verbal and non-verbal ways. They will connect with the world and get to know themselves in a new way.
