

2023-2024 School Year Calendar

St. James-Assiniboia School Division

SJASD Board of Trustees

The School Board plays a **vital role** in guiding educational practices and learning experiences in SJASD. Nine elected Trustees **collaborate** with three members of Senior Administration to make informed decisions on programming, resources, staffing, budgets and more to **best meet the needs of all students**. *The public is welcome to attend regular Board Meetings in-person or online.*

* French Immersion Schools

St. James-Assiniboia School Division is a progressive school division in west Winnipeg. Our 26 schools, including one in Headingley and one in Brooklands, represent the interests of approximately 8,300 children from Kindergarten to Grade 12. We are committed to educational programs in which children can develop their natural capabilities to their fullest extent, building upon personal strengths and the richness of our area's culturally diverse population.

SJASD operates on the traditional lands of the Anishinaabe, Ininew and Dakota peoples, and on the homeland of the Red River Métis nation. SJASD respects the Treaties that were made on this territory.

ST. JAMES-ASSINIBOIA SCHOOL DIVISION STRATEGIC PLAN 2023–2027

The following **Strategic Plan** was developed over a year-long process that included extensive community consultations with approximately 157 members of the public in the spring of 2023. These areas of focus formalize key priorities for teaching and learning in the Division and will guide decisions and resources for school improvement over the next four years. *Thank you to community members who took part in this important project.*

SUCCESS FOR EACH LEARNER

We recognize the importance of each child and their own unique learning needs. Programming and opportunities need to be **engaging and relevant** to the student. Success is a broad term, and it means different things to different students. At the end of their education journey, we want students to have a sense of dignity, courage, and capability in addition to feeling that they have the **skills and abilities** to lead them to a future of possibilities. We believe that a strong foundation in **literacy and numeracy** is critical for future success.

PRIORITIES

- Relevant and meaningful **literacy and numeracy** instruction across the curriculum.
- **Equitable and inclusive** academic, social, and emotional programming for learners.
- The development of **lifelong skills**: Citizenship, Creativity, Critical Thinking, Connection to Self, Collaboration, and Communication.

MA MAWI ANOKITAW MIINAWAA WE WILL WORK TOGETHER AGAIN

We believe in creating **safe and inclusive environments** that are not only representative of Indigenous cultures, languages, and histories, but also demonstrate the commitment to **Truth and Reconciliation**. It is a priority to build partnerships that recognize the importance of **Elders, Knowledge Keepers, and other Indigenous peoples** playing a prominent role in the teachings that we bring to schools.

PRIORITIES

- **Culturally safe environments** where Indigenous students, families, and community feel welcomed and connected.
- **Authentic learning opportunities** with students and staff to learn and value Indigenous cultures, languages, knowledges, and true history.
- **Holistic growth** for living in a Good Way.*

MENTAL HEALTH AND WELLBEING

There is a growing need to support the **mental health and well-being** of all students and staff. The first step in this journey is reaffirming the necessity that our schools are inclusive, represent the diversity of our community, and continuously model a **culture of care**. Our programming includes intentional strategies to promote strong personal mental and physical health to build resilience. Throughout these priorities, there is a constant thread of connections, partnerships, and a **focus on relationships** which will strengthen our sense of well-being as a healthy community.

PRIORITIES

- **Positive mental health** for students through defined learning and proactive programming.
- **Strong connections** that nourish the well-being of students, staff, and families.
- Culture and climate of **inclusivity** in all schools.

*A Good Way is a way to live your life day to day. It is respecting others, being mindful of the guidance we are given, taking care of yourself, others, the land and water. It means walking with respect and humility, learning and listening so we are doing good for ourselves, our families and our community. (Source: Elders and Knowledge Keepers in Schools Initiative Advisory Council, Manitoba Education, https://www.edugov.mb.ca/iid/docs/elders_knowledge_keepers_guidelines.pdf).

Mission

We are a leading and innovative learning community that will enable students to succeed as life-long learners in our ever-changing world.

SUPPORTING AND CELEBRATING OUR STUDENTS

Our schools are welcoming, caring, and safe for all children, staff, and families. Students are supported and their **successes are continuously celebrated**.

Opportunities allow for students to explore their own individual areas of passion and interest to promote engagement and learning. Our Division is comprised of **staff and students from diverse communities** and we are committed to honouring and **celebrating all of our diversity, visible or invisible**.

PRIORITIES

- **Diverse programming** and learning experiences which enable students to grow and explore their interests.
- School environments that **represent the diversity of our community**.
- **Celebration of student success** in reaching their personal learning goals.

Vision

We aim to provide a meaningful, inclusive, and caring educational environment so that students are prepared to be responsible citizens in a democratic society.

FAMILY AND COMMUNITY CONNECTIONS

Effective communication is essential in supporting and connecting students and families to schools. Communication references a series of ongoing and connected interactions throughout a student's school year and their educational journey.

Parents and caregivers actively participate and feel involved in school experiences with their children. **Community partners** create a network of support that enriches the learning for all children.

PRIORITIES

- **Ongoing communication** and collaboration with families and caregivers.
- **Family and caregiver participation** in the school lives of their children.
- Relationships with **community partners**.

THIS DOCUMENT has been developed through a year-long process of analysis, dialogue, and collaboration, led by our Board of Trustees. Our Division's data, Manitoba Education priorities, and consultation with the Indigenous Advisory Council, school administrators, staff, students, parents/caregivers, and community members shaped the creation of a set of **five Focus Areas**, each with **three Priorities**.

These will:

- Focus direction and action in areas that will make a difference for students, parents, staff, and communities,
- Support Continuous Improvement planning to shape system goals and metrics for success,
- Frame the reporting of results to students, parents, communities, and other partners,
- Support the Division with the allocation of resources in a fiscally responsible manner, and
- Promote and support community partnerships.

The Strategic Plan is a living document and must be responsive to factors that may change in our educational, political, and financial environment. We are committed to renewing our focus each year to ensure our direction and planning are serving our school communities.

Great Schools for Growing and Learning
