**Students in grades 6 - 12** will be participating in two activities during the morning session. Students will be rotated through the different activities over the course of the morning. This will mean less waiting time beside the projects. However, it might be a good idea to bring a book to read while waiting for the judges. Students will be dismissed at approximately **11:30 a.m.** and can be picked up at this time. School supervisors will chaperone students for the entire morning. Parents will not be permitted to be in the gym during the judging.

**Students in grades 3 - 5** will be participating in three activities during the afternoon session. Students will be rotated through the different activities over the course of the afternoon. This will mean less waiting time beside the projects. However, it might be a good idea to bring a book to read while waiting for the judges. The students will return to the gym at approximately **3:45 p.m.** and can be picked up at this time. School supervisors will chaperone students for the entire afternoon. Parents will not be permitted to be in the gym during the judging.

All students are asked to be with their projects for the public viewing on Wednesday evening. Everyone is invited and encouraged to stay for the awards presentation.

Students are encouraged to bring a folding chair (which can be placed under the project's table) and reading material (novel/puzzle booklet/etc). Electronic devices are not encouraged.

**\*\* All projects must be dismantled by 8:30 p.m. Remaining projects will be disposed of after this time.**
