

Craig Glennie

2018 – Present

Craig believes education is an important pillar in any child's foundation towards success in life. That is why he is committed to ensuring that current and future generations of St. James-Assiniboia School Division students have access to safe, quality education. It should be designed not only to nurture and care for them, but to guide and fulfill their highest potential.

Craig's strong passion for education has led him to attain his Masters of Business administration from Chaminade University of Honolulu, a Bachelor of Arts (Advanced) from the University of Manitoba and a Certificate in Marketing Strategy from Cornell University.

Craig currently serves as a member of the Community Engagement Committee and represents the Board on the Retirement Plan Committee.

He currently works in Corporate Finance and has also served on the Board of Directors at A&O: Support Services for Older Adults (A&O) in various roles including Vice-Chair of the Board, Chair of the Investment Committee and member of the Finance Committee. Previously, he was an assistant to a Member of Parliament and Member of the Legislative Assembly.

Craig is a proud resident of Silver Heights and looks forward to continuing to raise his two sons in the St. James-Assiniboia area.
