

Holly Hunter, Chair

2018 – Present

Holly Hunter was first elected to the St. James-Assiniboia School Board in October 2018. A lifelong resident of St. James, she attended Stevenson-Britannia, George Waters Middle and St. James Collegiate.

Holly spends her days working as middle years teacher in Manitoba's public education system. Witnessing first-hand injustices and inequities in her classroom, and wanting to be a positive agent of change, is what prompted her to run to be a school trustee.

In 2019, she completed a Master of Education with a focus on critical literacy and book club pedagogy. A desire to know more about the social, political, and economic context in which education policy decision are made led her to pursue a Master of Public Administration, which she completed in 2021.

Ultimately, Holly aims to bring her personal, professional and education experience to ensure St. James-Assiniboia School Division continues to live up to its mission to provide "meaningful, safe and caring educational environment so that all students are prepared to be responsible citizens in a democratic society."
