

It's Time to Talk Costumes!
Grade 3-5

Dear Families,

The Grade 3-5 musical “Toys!” will be brought to you in the comfort of your homes this year! Students have been working hard learning all their songs and dances for the musical. We have hired a videographer and sound technician to come and work with the students to create our very own Athlone holiday movie!

What we are asking from students and parents is to prepare the rest of your costume. Your child will be a **TOY!** Families are encouraged to use things you already have at home (old Halloween costumes, clothing with superhero logos, pajama onesies, animals hoodies, etc.) so as not to purchase anything new. Athlone has plenty of elf, reindeer, penguin, and snowmen costume pieces to borrow. If you would like a costume from Mrs. Dunk, please fill in the request below and I will bag up a costume for them to use at school. If you are using an Athlone costume, please have your child bring in the clothing that they will wear under the costume. For example, if you are a reindeer, child will need to bring in brown or dark coloured clothing and will put the reindeer vest and antlers on top of their clothing to complete their costume.

***Please also bring in a stuffed teddy bear as a prop as you will be dancing a Teddy Bear Tango!**

Please ensure your child brings the clothing/costume for the week of **Dec. 6-10th**. Children are asked to bring it labelled in a bag so that no pieces go missing. We will be using it all week, and then it can go home on Friday, the 10th. The movie link will be provided on the last week before Winter Break and be up for one week for private viewing at home before it is taken down.

Thank you! Please contact me if you have any further questions or concerns.
