Construction on Booth Drive, from Portage Avenue to Bruce Avenue, is scheduled to begin next week.

Construction start date: April 26, 2021  
Duration: 3 weeks  
Traffic impacts: Parking prohibited

As part of this work we will be installing a new concrete sidewalk along the west side of Booth Drive from Portage Avenue to Sturgeon Road. During construction, the street will remain open and parking on the street will be prohibited. Pedestrian access to residences will be maintained. Vehicle access to driveways will be maintained as much as possible.

Residents with accessibility needs, moving requirements, planned special events or known underground appurtenances (such as sprinkler systems, lighting cables, etc.) within 20 feet of the curb, should contact me at (204)928-8431.

We apologize for the inconvenience and disruption the construction will cause and appreciate your patience as we work to make your street better.
