Important Message Re: Student Drop-Off at Crestview School

1. There are NO PARKING signs in front of Crestview School. Please do not park or stop to drop off students between these signs. You will occasionally see pylons set up between these signs to remind drivers that this is not a drop-off location.
2. Morgan Crescent is not a safe drop-off location during bus pick-up and drop-off (between 8:40 & 9:00 and between 3:40 & 4:00). There is already a lot of vehicle traffic during these times in addition to the busses needing to use the road.
3. PLEASE assist in cutting down on the traffic and increase safety if you are transporting your children to and from school by:
 - parking in the Community Center to drop off and pick up your children. Here you can see your children safely walk across the playground rather than risking walking across a busy street. Children should be dropped off no earlier than 8:45 and not later than 8:55.

Reminder: There is no adult supervision for students until 8:45 am. Students should not arrive before this time.

Thanks everyone for your diligent efforts to help us keep your children safe at Crestview School.
