To: Hedges Middle School Parents

Re: School Opening **September 8 and 9, 2021**

Hedges Middle School is once again offering parents and students an opportunity to meet with teachers on **September 8th and 9th** before fall classes begin. The purpose of these meetings is to promote open and ongoing communication between home and school. At the conference, parents, students and teachers will have an opportunity to meet to discuss educational concerns. Parents can share important information about their child, establish lines of communication between the home and school, set goals, discuss the Parent Portal (grade 7 and 8) and ask any questions that they may have.

- Regular classes will begin on **September 10th for all students at 8:30 a.m. It is a Day 4 on the School Day Calendar**

Conference Schedule and Procedures for **September 8 and September 9, 2021**

To accommodate parents in our community, we will be conducting (parent, student, and teacher) conferences. These **pre-scheduled conferences** will occur with your **child's homeroom teacher** and be **20 minutes** in length. Sign up for these conferences begins July 3. Please choose *one-time slot* that works for you and your child to attend.

Conferences will take place on the following dates and times:

September 8, 2021

1:00 p.m. to 6:00 p.m.

September 9, 2021

8:00 a.m. to 1:00 p.m.

Students are encouraged to bring their school supplies with them to the conference. Student fees should be paid online. The Computer Room will be made available with a staff member to assist parents with the initial set up of Parent Portal for students in grade 7 and 8.

Booking Appointments

Parents should book a conference time online with their child's homeroom teacher. Times are available on **September 8th and 9th** as per the attached instructions. Above is your child's homeroom teacher for the **2021-22** school year. If you are unable to book your own appointment due to limited computer access or for any other reason, please phone the school at 204-837-5843 during regular office hours.

Our team values this time together, and looks forward to connecting with you to start our 2021-2022 school year.

Sincerely,

T. Baydock

Principal

J. O'Brien

Vice Principal
