FAMILY LIFE (Potentially Sensitive Content)**IHA-E-2**

The Physical Education/Health Education curriculum is mandated by Manitoba Education. Content related to substance use and abuse, personal safety and human sexuality is considered potentially sensitive.

Potentially sensitive content must be treated in ways that are appropriate for the local school and community context. Manitoba Education recognizes that the prime responsibility for education about issues of sexuality, including healthy relationships, consent and sexually transmitted and blood borne infections, rests with the family. It is clear to parents, teachers, and community health leaders that young people must have knowledge, skills, guidance and support if they are to make responsible and health and wellness enhancing decisions.

In accordance with this, the option is available for parents of students at all grade levels to decide whether the student should receive school-based delivery of potentially sensitive content, or delivery in an alternative setting of their choosing. Parents will be notified of the start date and topics to be covered prior to the program delivery.

- Yes**, I give my child permission to **receive school-based delivery** of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum.
- No**, I prefer that my child receive delivery of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum **in an alternative setting**. I understand that I am responsible for ensuring the delivery of the potentially sensitive content. Resources and curriculum materials are available through your school or on the Manitoba Education website at <http://www.edu.gov.mb.ca/k12/cur/physhlth/resources.html>

Lockers, cupboards, desks and any other storage areas are the property of the St. James-Assiniboia School Division and as such the Division reserves the right to inspect the contents of these areas at any time. School administrators have the authority to conduct an inspection of these areas, locked or unlocked, whenever they have reasonable grounds to believe a school or division regulation, rule or discipline has been breached or a violation of the law has occurred and the search will reveal evidence of that breach or violation.

Students should consider whether they wish to keep items of a private nature in the locker.

Both parent/guardian and student must sign the Parent/Guardian and Student Consent for Search form at the time of registration in accordance with Policy JIHA, JIHA-R (Search of Student Desks, Lockers, Storage Areas, Student Effects and Student Driven Vehicles).

Additionally, all St. James-Assiniboia students will be supplied with a Division managed Office 365 account providing them with an email address, cloud based document storage and a set of productivity and collaboration tools that can be used at school and at home.

These resources are being provided to students with the understanding that they will be used for educational purposes only and all such use will abide by the following Division policies:

Dear St. James-Assiniboia School Division Families;

Re: Indigenous Identity Declaration

The Province of Manitoba requests that school divisions give First Nations, Metis, and Inuit students an opportunity to declare their cultural identity. The Indigenous Identity Declaration (I.I.D.) collects information about the ancestral/cultural background of Indigenous students. Accurate data is essential in improving the programming in St. James-Assiniboia School Division, and helps us in supporting student success.

The form includes an opportunity for parents to indicate if they are declaring their child for the first time, whether they want to alter or edit a child's previously declared identity, or whether they are simply confirming that a previous declaration has been made.

Declaring your Indigenous Identity is always voluntary, and it can be completed at any point during your child's educational journey.

If you are interested in declaring your child's Indigenous identity, please complete the registration form and return it to your school's office as soon as possible. If you can't remember if you have declared in the past, please feel free to do it again to ensure your family is included.

For more information, please visit http://www.edu.gov.mb.ca/iid/aid/q_a.pdf or <http://www.edu.gov.mb.ca/iid/aid/brochure.pdf>

Thank you in advance for your support!

St. James-Assiniboia School Division

Declare your child's Indigenous Identity

Questions and Answers for Parents and Guardians

1. What is Indigenous Identity Declaration?

Indigenous Identity Declaration (IID) is an opportunity for parents/guardians of Indigenous students to declare their child's Indigenous identity within Manitoba's Kindergarten-Grade 12 provincial school system usually at time of registration. IID information received from parents/guardians is entered into a database by the school office and is then reported yearly to the Department of Manitoba Education and Training.

2. Why are Indigenous students being asked to declare their ancestral/cultural background?

IID helps direct resources to Indigenous students to help them succeed. Manitoba Education and Training is committed to supporting the academic success of Indigenous students. Your declaration helps school divisions enhance services and supports for Indigenous students. By declaring, your child (children) receives the appropriate support and programming they may need.

3. Statistics Canada collects this information. Why are parents/guardians being asked to provide information to the school?

Aboriginal identity refers to whether the person reported identifying with the Aboriginal peoples of Canada. This includes those who reported being an Aboriginal person, that is, First Nations (North American Indian), Métis or Inuk (Inuit) and/or those who reported Registered or Treaty Indian status, that is registered under the Indian Act of Canada, and/or those who reported membership in a First Nation or Indian band. Aboriginal peoples of Canada are defined in the Constitution Act, 1982, Section 35 (2) as including the Indian, Inuit and Métis peoples of Canada. The key data sources for statistics on Aboriginal people comes from the Census, which collects information on the language spoken at home, mother tongue and knowledge of language

IID provides accurate and detailed school level information and is recorded by schools and reported yearly to Manitoba Education and Training. Additionally, this information is combined to give a school division and provincial summary. Information collected through IID is protected under *The Freedom of Information and Protection of Privacy Act (FIPPA)*.

4. I'm a First Nation member and my partner is Métis. Which box do we check?

For families that have multiple ancestral/cultural elements, choose what is most relevant for your family. For more detail, please see the IID identifier descriptions provided on the website at www.edu.gov.mb.ca/aed/abidentity.html.

5. I know I'm Indigenous but I don't speak any Indigenous languages. Do I still check any boxes?

YES. The linguistic identifiers refer to ancestral/cultural identity, NOT your ability to speak a specific Indigenous language. Select the identifier(s) that best reflect your identity. If you are still unsure what to choose, you can check the "Other" linguistic category, and write "uncertain" in the space provided.

INDIGENOUS IDENTITY DECLARATION

Indigenous Identity Declaration helps to support the efforts of Manitoba Education and Training and school divisions to plan and improve programs in a way that is responsive to Indigenous learners.

(Providing this personal information is voluntary and optional. It is being collected in compliance with section 36(1)(b) of The Freedom of Information and Protection of Privacy Act as it is necessary for and relates directly to the activity of Manitoba and school divisions to plan, deliver and improve programs.)

1. I _____, (name of parent/guardian, please print clearly):

- Am submitting my child's Indigenous Identity Declaration for the first time
- Am making changes to my child's Indigenous Identity Declaration
- Already submitted my child's Indigenous Identity Declaration and have no further changes to make at this time.

2. Is your child an Indigenous person, that is, First Nation (North American Indian), Métis, or Inuk (Inuit)? Note: First Nations (North American Indian) include Status and Non-Status Indians

If "Yes", mark the square(s) that best describe(s) your child now:

- Yes, First Nation (North American Indian)
- Yes, Métis
- Yes, Inuk (Inuit)

3. Which best describes your child's Indigenous cultural-linguistic identity? Please note that your child does not need to speak the language in order to declare. Please select up to two choices:

- | | |
|--|---|
| <input type="checkbox"/> Anishinaabe (Ojibway/Saulteaux) | <input type="checkbox"/> Ininiw |
| <input type="checkbox"/> Dene (Sayisi) | <input type="checkbox"/> Dakota |

Heritage School

September 6, 2024-June 30, 2025

Dear Parent(s)/Guardian(s):

Your child may be invited to participate in smudging at school throughout the school year.

As an inclusive and culturally responsive school, we are welcoming all students to learn about First Nation, Métis, and Inuit traditions.

Smudging is an Indigenous tradition that involves the burning of traditional medicines. Smudging allows people to become mindful and centered, better able to hear, see, think, speak, and act in a good way. Participation is always voluntary. It is done in a designated area on school grounds and is approved by the Division's Workplace Health and Safety Officer to ensure that there is proper ventilation. More information about smudging is available by contacting the school.

To participate in smudging, this consent form must be completed and returned to the classroom teacher.

****Please sign and return the bottom portion of this form.**

I grant _____ permission to:
(Student's Name)

 Community Walks/ Community Bike Rides

Description of Activity: _____

Description of Transportation: On foot or bike in the community with school staff and class

Date of Activity: September 6, 2024 - June 30, 2025

THIS FORM MUST BE READ AND SIGNED BY EVERY STUDENT WHO WISHES TO PARTICIPATE AND BY A PARENT OR GUARDIAN OF A PARTICIPATING STUDENT.

Elements of Risk:

Educational activity programs, such as the above activity, involve certain elements of risk. Injuries may occur while participating in these activities. Following are examples of the types of injuries possible when participating in the above activity. There may also be risk of other types of injury.

1. Collisions with movable objects (eg.people)
2. Injuries related to slips, trips, and falls
3. [Click here for risk factors](#)

The risk of sustaining injuries results from the nature of the activity and may occur without fault of either the student or the School Board, its employees, or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured. By signing this consent form you indicate that you understand that your child is participating in an activity with the associated risks as outlined above.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

The School Board provides the Universal Student Accident Insurance program which ensures coverage for all students while at school, involved in school activities on or away from the school premises and while traveling to or from school or a school activity (in province only). This insurance does not, however, replace voluntary student accident insurance. Parents may want to consider additional student accident insurance. e.g. Voluntary Reliable Life Student Accident Insurance which would complement and not replace the Universal Student Accident Insurance.

The School and Division do not assume any financial responsibility in the event that students are stranded or delayed due to events and circumstances beyond the control of the school division. The School and Division also do not assume any financial responsibility in the event that a field trip is postponed or cancelled. The School and Division strongly recommend parents purchase trip cancellation insurance.

For field trips outside Manitoba, students must be covered by additional extended health coverage (dental and ambulance transportation) along with travel health insurance.

Hearing Screening

The St. James-Assiniboia School Division has a Hearing Screening Program for kindergarten and grade one students within the Division. The school student service team will administer the screening.

The screening program consists of determining whether the student can hear specific sound frequencies or tones. The program also screens for possible middle ear problems.

Children who are identified as "at risk" in the Hearing Screening will be referred to Access Winnipeg West Hearing Centre who will follow up and contact parents, if a need exists. If you hear nothing from the school or the audiologist, we did **not** find a problem with your child's hearing.

Vision Screening

The St. James-Assiniboia School Division supports the Eye See...Eye Learn Program. **Eye See...Eye Learn®** is based on research that confirms the importance of vision and eye health on students' success in learning. Children may not reach their full potential if they can't see the board clearly, focus on a picture, or follow words in a book. As well, early diagnosis can prevent future or more complex vision problems.

St. James-Assiniboia School Division recognizes the important link between eye health and learning and recommends comprehensive eye health examinations for all children entering kindergarten. Information will be provided at opening day conferences.

Dear Parents/Legal Guardians,

Vaccines have been shown to be a safe and effective way of protecting children from diseases. It can also protect other persons who cannot be immunized due to certain health conditions. It is thus very important to make sure that your child is up to date with their immunizations.

We strongly recommend that children between 4 and 6 years of age receive the following immunizations:

Vaccine name	
Measles, mumps, rubella and varicella vaccine (MMRV vaccine)	Preschool
Diphtheria, tetanus, pertussis and polio vaccine (DTaP-IPV vaccine)	Preschool

Please check your child's immunization records to see if your child is up to date. You can visit the Manitoba Health website to know more about routine immunizations for infants and children (<https://www.gov.mb.ca/health/publichealth/cdc/div/schedules.html>). You can also discuss this with your primary care provider.

If your child needs immunizations, your primary care provider (family physician or pediatrician), a walk-in doctor, a nurse practitioner or a public health nurse can provide them.

If you do not have a copy of your child's immunization record, you can call the WRHA immunization records request line at **(204) 938-5347**.

If you are new to Manitoba, you can provide a copy of your child's immunization records to your local public health office. These records will be entered in the Manitoba immunization registry.

If you have questions or do not have access to a health care provider to immunize your child, please call your local public health office at **204 940-2040**.

Sincerely,

Public Health Nurse

Dear Parents/Guardians,

If you are wishing to register your child at a school that is not your catchment area school, please be aware of the following:

Online waitlist begins Friday, February 16, 2024 at 8:00 a.m. Upon completion, you will receive an electronically dated and time stamped form which will establish an ordered waiting list. To complete this form, follow the link, which can be found on your school's website:

As in the past, out-of-catchment children attending in-school daycares will not receive priority for registration, as classrooms are staffed based upon the number of expected in-catchment registrations.

Younger siblings of out-of-catchment students already accepted in the school will receive priority and will be placed at the top of the ordered wait list in the sequence in which they registered.

All students on this waitlist should be registered first at their catchment school. More information about which is your catchment school can be found on our School Locator at this link:
<http://bit.ly/sjasd-locator>

Out-of-catchment students in Kindergarten, Grade 6, or Grade 9 will be notified of acceptance by June 14, 2024. Other grades may be advised earlier. This follows the guidelines for the provincial schools of choice legislation.

Out-of-catchment student acceptance is on a first-come, first-served basis with in-division students receiving priority over out-of-division students.

Any questions or concerns should be discussed with the Principal(s). The following link may also be of interest:
