**Lakewood School
Mission Statement**

“Lakewood School will promote learning as a lifelong goal by encouraging children to try their best in their school work and to become caring, empathetic, and responsible citizens. Lakewood students and staff will work together as a team to provide a safe, inclusive, and respectful community to help reach our goals.”

Lakewood School Parent Newsletter

Principal's Message

As we wrap-up the 2022-2023 school year, we are very thankful for how amazingly resilient our students, staff, families, and community members have been!

We would like to thank all of Lakewood's parents and caregivers who worked closely and partnered with our staff throughout the school year.

We truly could not have continued to do the work that we do every day without your support and dedication. Please accept our gratitude for the critical role you all play in our students' education.

We would also like to thank

the Lakewood Parent Council for all they do for our students and staff. It is through your on-going efforts and dedication that we are able to support our students in many extra ways.

We are so proud of our students and staff for all of their hard work and well-earned successes this school year.

To our students, you are the reason that we come to school every day. We are all honoured to be able to work with such an exceptional group of learners.

Special congratulations goes out to all of Lakewood's Grade 5 students! We wish you all the very best of luck as you take on

new challenges in middle school next year.

Finally, we are so fortunate to have a very dedicated, resilient and giving staff. Our most sincere appreciation goes out to the amazing staff of Lakewood School! Thank you for ALL that you do!

It certainly has been an incredible journey and a wonderful year of learning! We hope that everyone enjoys the final few days of the month of June and we wish you all a wonderful summer break.

Mrs. James
