

March 21, 2024

Dear Parents,

We are excited to announce an upcoming event in celebration of Earth Day! As part of our ongoing commitment to sustainability and environmental awareness, we will be hosting a clothing swap for our students.

The aim of this event is to encourage our students to think critically about the impact of fast fashion on our planet and to promote the values of reuse and recycling. By participating in the clothing swap, students will have the opportunity to refresh their wardrobes in an eco-friendly way, while also reducing textile waste.

Donation: We kindly ask students to bring in gently worn clothing items that they no longer wear or need. These items should be clean and washed at home before donation. Please ensure that all items are in good condition. Donations will be collected in advance of the event, starting after spring break to April 21. Students will receive a ticket for each item they bring in that they may use to “purchase” an item from the swap. Please drop off your donations at the Home Ec. room.

Exchange: On Earth Day, April 22, students will have the chance to use their tickets to take items from the donation racks.

We believe that this clothing swap will not only benefit our planet but also foster a sense of community and responsibility among our students.

If you have any questions or concerns about the event, please feel free to contact at keiko.kada@sjasd.ca.

Thank you for your support in promoting sustainability and environmental awareness among our students.

Sincerely,

Keiko Kada
