Parent-Teacher Conferences

November 12th, 2020

4:30-7:30 pm

Hello Lincoln Families,

Due to COVID-19, our Triad (parent, teacher, student) Conferences will be done virtually from **4:30 pm – 7:30 pm** via Microsoft TEAMS on **Thursday, November 12th**.

General TEAMS Sessions for all Classrooms:

The evening will begin with a general whole class discussion meant for all families from each homeroom together with their child's teachers between the time of **4:30 pm and 5:00 pm**. A general invitation to this meeting will be scheduled and sent to all families using your child's TEAMS account. Simply click "join" within your child's TEAMS calendar and you will be connected to the meeting.

This discussion will allow all families to become familiar with their child's math, language arts, science, and social studies teachers in one meeting to gain an understanding of what was accomplished during the period of recovery learning, the focus of October, and what can be expected as we move forward into Term 2.

We would request that your child attend this discussion with you, that cameras be turned on, and that the chat function is used on the side to share comments and questions as opposed to the microphone feature.

TEAMS Sessions for Phys Ed:

Mrs. Riddell and Mr. Thiessen will be holding grade level discussions and sharing their current efforts, assessment strategies and next steps in physical education for all grade levels. You can join their discussion by selecting "Join" in your child's TEAMS calendar. The times are as follows:

Grade 6 at 5:00
Grade 7 at 5:30
Grade 8 at 6:00.

TEAMS Sessions for French:

Mrs. Calladine and Mrs. Wlasiuk will also be holding grade level discussions and sharing their current efforts, assessment strategies and next steps in French for all grade levels. You can also join their discussion by selecting "Join" in your child's TEAMS calendar. The times are as follows:

Grade 8 Families at 5:00 pm with Mrs. Calladine

Grade 6 Families can connect at 5:30 pm with Mrs. Wlasiuk

Grade 7 Families can connect with Mrs. Calladine and Mrs. Wlasiuk at 6:00 pm.

Teams Sessions for Grade 6 Woods:

Mr. Bradshaw will be holding a grade level discussion about grade 6 woods and what can be covered an accomplished given these current times. You can join this discussion by selecting “Join” in your child’s TEAMS calendar. The time for this presentation is as follows:

Grade 6 Families can connect with Mr. Bradshaw at 6:00 pm.

Individual Meetings with Teachers:

Individual time slots can also be booked using the [Conference Manager](#) with your child’s teachers from 5:00 pm – 7:30 pm. These individual meetings are meant for specific questions you may have that pertain to your child’s learning needs that will most likely not be covered in the general session. These individual times will also occur on TEAMS.

Once you have booked your time slot in Conference Manager, your child will receive an invite to a TEAMS meeting at your designated time from that teacher. You and your child will login to TEAMS at that time to begin your virtual conference. A parent may sign up for only one individual meeting with a teacher that they would like to meet with for the evening as times are limited. Meeting times are 10 minutes in length. Please be respectful of the time as there will be another parent/guardian in the cue waiting for their appointment as well.

If you or your child does not receive your TEAMS invite by noon on Tuesday, November 10th, please contact the school at 204-837-8397.

Take care, stay safe.

**Mr. K. Lizotte
Principal**
