The "Pride" of Lincoln Student Award Nominations:

We have amazing students at Lincoln Middle School. As a school, we strive to have our students grow in the areas of academics, athletics, the arts, and as positively contributing citizens within our school and beyond. The Lincoln Wall of Pride is meant to celebrate and highlight our student's efforts throughout the year on a regular and ongoing basis. Lincoln students, staff, families, and community members are welcome to consider the award criteria found in the link below and nominate a student(s) from Lincoln who have demonstrated success in two or more of the categories outlined. Our first Celebration of Success awards assembly will take place on Friday, November 24th at 8:45 am. Please note that all nominations will be considered but not all will receive the award.

Study Skills Workshop:

A study skills workshop is being offered by the Dyslexia Champions of Manitoba. This workshop will be held on Saturday, November 18. Participants will learn practical tips and skills that they can realistically incorporate into their own lives. This workshop will give participants the tools they need to be active learners, and the skills learned will benefit students well into their post-secondary studies.

This workshop is beneficial to all students who are looking for studying tips, but students who are challenged with Dyslexia and ADHD will especially find the workshop helpful. Please open the following [Study skills-Poster.pdf](#) for more information and how to register.
