

Lincoln Middle School - Notes from the Office

Year Ending, 2021

Dear Lincoln Students and Families,

We take great pride and are thankful of student efforts and their willingness to follow what has been required this year. Our students have risen to the challenge and are to be commended. We are thankful to families for making it all work. As a community, we have all done our part, and done very well, both in holding back Covid-19 cases and reducing the impact of close-contacts.

On behalf of the staff, we are thankful for your encouragement and support throughout the year. Enjoy the beautiful summer ahead! We look forward to seeing you next year!
