FEBRUARY

Happy New Year!

I would like to thank the students, staff, and families for welcoming me into your school community. École Ness will always hold a special place in my heart. Vas'y les Chevaliers!

Colder Weather

As the cold weather and snow is upon us, please ensure students are dressed for the cold as they are expected to go outside at lunch.

At 12:05 pm, once students have eaten, they are to either choose a club/activity to attend or go outside. Students will need to take all the belongings for either their activity, club or outdoor that they will need with them until the afternoon entry bell at 12:45 pm. Students will not be permitted to wander the hallways or gather in the washrooms during this time as there is limited supervision in these areas.

It is also an expectation that students remain outdoors until the Morning Entry bell rings at 8:50 am.

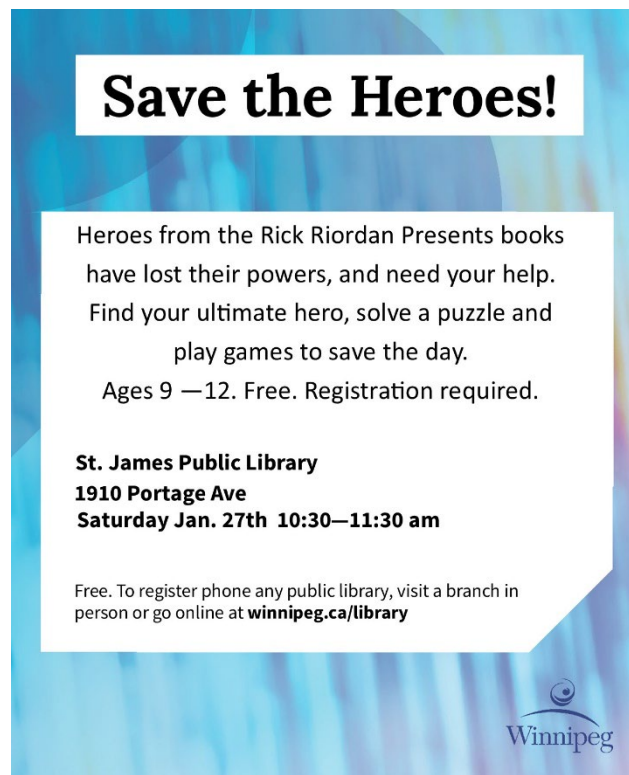

When the Temperature is between -25 and -28, students go outside for 10 minutes. **If temperatures drop below -28, students will be permitted to remain indoors.**
