*Adventures in Study Skills*

Nov. 18, 2023  
9AM-3:30PM  
St. Paul's College,  
U of Manitoba

Lunch Included

A one-day workshop geared to students in grade 6-12. Participants will learn practical tips and skills that they can realistically incorporate into their own lives. This workshop will give participants the tools they need to be active learners, and the skills learned will benefit students well into their post-secondary studies. This workshop is beneficial to all students who are looking for studying tips, but students who are challenged with Dyslexia and ADHD will especially find the workshop helpful. Parents are also welcome to attend, however, their presence is not mandatory.

# Staying Well Virtual Workshop: Supporting Students with Dyslexia

Tuesday, November 28, 2023

Time: 6:15 pm - 7:15 pm

Presenters: Maria Phelps, Kristy Wake, Tracey Eagle, & Potoula Locken

Does your smart child struggle with reading, writing, or mathematics? Children and adolescents with a Specific Learning Disability such as Dyslexia may also struggle with low self-esteem, self-regulation, and school anxiety. In this free, virtual workshop for caregivers that know or suspect their child has dyslexia, we will be providing information on assessment, strategies, and interventions that set your child or teen up for success at school and beyond.

To register please email Debbie Neufeld at [Debbie.neufeld@sjasd.ca](mailto:Debbie.neufeld@sjasd.ca) The virtual workshop will take place on Teams. A link will be sent a few days prior to workshop.

## Canadian Dental Information

**Canada Dental Benefit**

Smile!  
It is here.

For kids under 12 years old

For families with an adjusted net income under \$96,000 per year

**Canada Dental Benefit** Factsheet

Health is one of the most important, but precious, individual assets of every child in Canada and across the world. Child Dentists frequently begin in the present and plan for the future. It is so important to consider great oral hygiene behaviours as soon as possible.

The Government of Canada has implemented the **Canada Dental Benefit**, which is designed to provide some financial support to help Canadian children receive dental care. This benefit is available to eligible children and their families. More young children will receive the Government's contribution towards it, which is helping to bring more Canadian children into the dental care system.

WHAT is the benefit?	\$650	\$390	\$260
Up to \$650 per year for children under 12 years old	Up to \$390 per year for children 12 to 17 years old	Up to \$260 per year for children 18 to 24 years old	Up to \$260 per year for children 25 to 34 years old
