Notes from the Office

Celebration of Learning Conferences

Thank you to all Phoenix families who attended our Celebration of Learning last week. Our school has so much to be proud of! We are so thankful for having strong partnerships between home and school.

Westwood Family of Schools Concert

Congratulations to Mrs. Sadr and all Phoenix students and staff who participated in the recent Westwood Family of Schools Concert. What an amazing evening to share our musical talents!

Modular Classrooms Update

Final construction continues to happen and/or be scheduled for our new portable classrooms, including the relocation of the school library shelving and book collections. Hydro is completed. The division IT department will be installing IT requirements shortly. These classroom spaces will be scheduled for occupancy in September 2024. Homeroom location assignments are currently being explored.

Safety First

Students riding bicycles to school are reminded to wear a helmet and to use a bike lock.
