Dear Parents/Guardians,

Each year up to **150** students from across the School Division are selected to make up **two** casts for a musical production. Your child is **invited** to audition for next year's production, **Finding Nemo Jr**. The show will run January 27th to February 3rd, 2024

Guidelines consist of choosing students from **twenty-one** schools, with representation from all the schools. Elementary students will be required to attend **one** weekly rehearsal on either Monday or Tuesday. Being part of this group is a **devoted** commitment for **five** months: Sept, Oct, Nov, Dec, and Jan. Each cast will rehearse on a specified day, beginning in September. Students with **lead** roles will be required to attend **two** weekly rehearsals. There will also be additional rehearsals **three** weeks prior to the show. Attendance is of the utmost importance, and students must make up for all rehearsals missed by attending on the alternate cast's day.

Please make sure you can commit to all of the rehearsals and all of the show dates.
I will be conducting all auditions on-line.
