FAMILY LIFE (Potentially Sensitive Content)

IHAE-E-2

The Physical Education/Health Education curriculum is mandated by Manitoba Education. Content related to substance use and abuse, personal safety and human sexuality is considered potentially sensitive.

Potentially sensitive content must be treated in ways that are appropriate for the local school and community context. Manitoba Education recognizes that the prime responsibility for education about issues of sexuality, including healthy relationships, consent and sexually transmitted and blood borne infections, rests with the family. It is clear to parents, teachers, and community health leaders that young people must have knowledge, skills, guidance and support if they are to make responsible and health and wellness enhancing decisions.

In accordance with this, the option is available for parents of students at all grade levels to decide whether the student should receive school-based delivery of potentially sensitive content, or delivery in an alternative setting of their choosing. Parents will be notified of the start date and topics to be covered prior to the program delivery.

- Yes**, I give my child permission to **receive school-based delivery** of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum.
- No**, I prefer that my child receive delivery of the potentially sensitive content as outlined in the Physical Education/Health Education Curriculum **in an alternative setting**. I understand that I am responsible for ensuring the delivery of the potentially sensitive content. Resources and curriculum materials are available through your school or on the Manitoba Education website at <http://www.edu.gov.mb.ca/k12/cur/physhlth/resources.html>

PARENT/GUARDIAN AND STUDENT CONSENT FOR SEARCH

JIHA-E-1

Lockers, cupboards, desks and any other storage areas are the property of the St. James-Assiniboia School Division and as such the Division reserves the right to inspect the contents of these areas at any time. School administrators have the authority to conduct an inspection of these areas, locked or unlocked, whenever they have reasonable grounds to believe a school or division regulation, rule or discipline has been breached or a violation of the law has occurred and the search will reveal evidence of that breach or violation.

Students should consider whether they wish to keep items of a private nature in the locker.

Both parent/guardian and student must sign the Parent/Guardian and Student Consent for Search form at the time of registration in accordance with Policy JIHA, JIHA-R (Search of Student Desks, Lockers, Storage Areas, Student Effects and Student Driven Vehicles).

I have read, understand and agree with the above.

INTERNET USE PARENT ADVISORY**IJNDC-E-1**

The St. James-Assiniboia School Division strongly believes that technology and access to the internet are valuable resources that teachers will use as a means to extend and enhance the learning experiences in the classroom. As such, you may expect your child to have regular access to the technology available in their school and in turn, access to the internet.

Additionally, all St. James-Assiniboia students will be supplied with a Division managed Office 365 account providing them with an email address, cloud based document storage and a set of productivity and collaboration tools that can be used at school and at home.

These resources are being provided to students with the understanding that they will be used for educational purposes only and all such use will abide by the following Division policies:

- Acceptable Student Use of Digital Technologies and Electronic Communications (Policy IJNDC and Regulation IJNDC-R)
- Acceptable Student Use of Digital Technologies and Electronic Communication (Exhibit IJNDC-E-2)
- Student Conduct (Policy JK)

PRINT & DIGITAL MEDIA RELEASE FORM**IJNDC-E-1**

The St. James-Assiniboia School Division recognizes that print media, digital media and the internet provide an ideal means to showcase, celebrate and promote school and Divisional activities and share student work with other students, parents/guardians, staff and the global community.

At the same time, however, the Division remains committed to protecting the privacy and safety of all students. For this reason, the Division has established a protocol for the publication, broadcast and distribution of print and digital media under regulation IJNDBA-R and policy IJNDBA.

School Division managed/sanctioned online sites are defined as:

- the Division website;
- school websites;
- teacher websites;
- teacher blogs;
- School Division sanctioned social media tools (as defined in policy GBEE);

NOTE: At times, schools may choose to stream public events such as sports games, awards ceremonies or music concerts to the internet. As these events are public in nature, privacy legislation does not require the School Division to obtain parental consent to stream the event. The school will advise parents, however, when such events are being streamed to the internet.

Students will only be identified by first name in any of publishing formats described above. In cases where a student is being recognized for a local, provincial and/or national award, both first and last names may be used.
