CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents

**RE: 2022 LOCAL AND INDUSTRIAL STREET RENEWAL PROGRAM:
BERRY STREET - FROM PORTAGE AVENUE TO ELLICE AVENUE**

We wish to advise you that the above street renewal project has been approved for construction in Summer 2022.

The construction shall start mid May. We will notify you the exact date approximately one week before construction begins.

As part of this work we will be repairing the pavement, sidewalk, asphalt pathway and curb, then installing a new asphalt overlay to improve drainage and rideability. During construction, the street will be closed from Portage Avenue to Silver Avenue and from Silver Avenue to the Ellice Avenue will be staged One Way in the northbound direction. There will be no street parking permitted and pedestrian access to residences will be maintained.

We are asking anyone with accessibility needs, moving requirements, planned special events or known underground appurtenances (such as sprinkler systems, lighting cables, etc.) within 20 feet of the curb, to contact me at (204) 928-8431. We are also here to answer general questions about the project.

Sincerely,

Blair Cockrell
