

Dear Patrol Families,

CAA Manitoba has partnered with the Manitoba Moose to provide a Complimentary ticket to the Moose game on February 17th, 2020 @ 2:00 pm **for all school patrols.**

Patrols must be transported and supervised by a family member. This event takes place on February 17, Louis Riel Day.

Family and friends are invited to attend with the patrol at a special rate of \$16.50 (regular \$29-\$39)

The game is the Manitoba Moose Superhero Game, so dust off your super suits and capes, then come on down and catch the action!

This is also one of our biggest promo games of the season as it is our Super Hero Game. With many super heroes in attendance on the concourse **fans are encouraged to dress up as their favorite super hero characters!**

Everybody in attendance is entered to Win a Trip for Four, which includes 4 flight vouchers anywhere Delta Air Lines flies and a \$1,000 travel voucher from CAA to apply to accommodations, park passes or whatever you like! At last years CAA School Safety Patrol game - a patrol members family won the trip!

Each Patrol is entitled to a complimentary ticket, friends and family can purchase additional discounted tickets for \$16.50 (regular \$34).

You must book for yourself on line. School staff are not collecting orders for these tickets.
